

Google Apps Login for Students

Before logging into Google Apps for the first time, students **MUST** log in to their Wake County student email account. Go to <http://webmail.students.wcpss.net> to enter your username and password. If you don't know your login information, see your homeroom teacher or the Media Center staff.

Go to <http://www.google.com>
Click on Blue "Sign In" button.

Enter your full email address
username@students.wcpss.net

Your password is the same
password that you created
for your Wake County email
address.

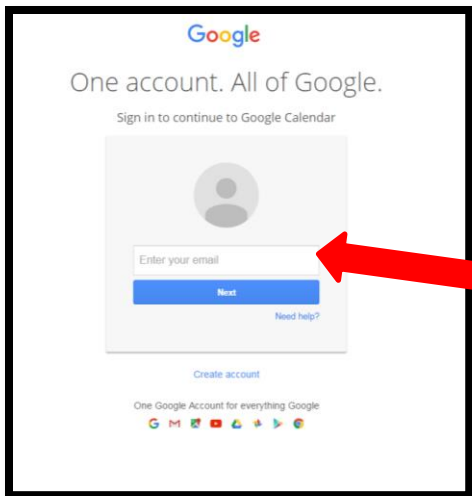

Select "Student" for User Type.

Your Wake ID is your email
username (do not enter the
entire email address—just the
username.)

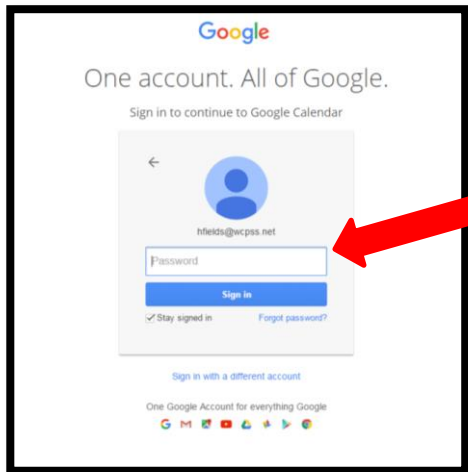

Your password is the same
password you created for your
Wake County email address.

Google Apps Login for Teachers

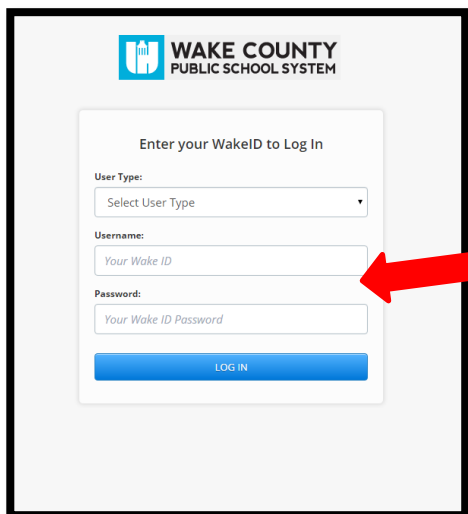

Go to <http://www.google.com>
Click on Blue "Sign In" button.

Enter your full email address
username@wcpss.net

Your password is the same password that you created for your Wake County email address.

Select "Staff" for User Type.

Your Wake ID is your email username (do not enter the entire email address—just the username.)

Your password is the same password you created for your Wake County email address.
